## Cornerstone To Be Laid At Taborian Hospital, August 2

Dr. A. W. Dumas To Be Principal Speaker

Taborians from every where throughout the state will gather at Mound Bayou, on Friday, August 2, to participate in the cornerstone laying at the Taborian Hospital.

The \$50,000 Hospital, now in course of erection is the largest project ever undertaken by the Knights and Daughters of Tabor. The building is under the supervision of McKissack & McKissack Building Contractors of Nashville, Tennessee.

Features for cornerstone laying day include an address by Dr. A. W. Dumas, Sr., President, National Medical Association, Natchez; addresses by Dr. L. T. Miller, medical Director of the Afro American Hospital and Hon. T. J. Huddleston, Founder and Custodian of the Afro-American Sons and Daughters. Other speakers of both races representing the fraternal and medical world will also appear on the program.

Mound Bayou citizens are making elaborate preparations to entertain the Taborian Host to sustain the reputation they set during the recent Grand Session of the organization held at Mound Bayou, last November. Free dinner and barbecue are planned for the visitors. Local arrangements are in charge of the Past Arcanum Temple of Mound Bayou.

A scroll of donors of free will contributions of the Hospital Building fund will be placed in the cornerstone for historical reference.

Miss G. C. Keaton and a group of girls from throughout the county attended the 4-H Club meeting at Alcorn College last week.

## TO SPEAK AT CORNERSTONE LAYING AUG. 2

DR. A. W. DUMAS, SR.

President of the National Medical Association who will deliver the principal address at the Corner Stone Laying.
